

## Curriculum Enrichment

1. Teaching not limited to only syllabus, but goes much beyond that.
2. Teaching is always connected to the happenings / events in the society.
3. Various lectures, research presentations are kept open for the students.
4. Elaborate feedback is given on every type of evaluation and field work.
5. Opportunities to apply the learnt topics in field are provided.
6. Field work provides opportunity to work with experienced psychologists.
7. Various clips, movies are shown related to the syllabus and the discussions are conducted.
8. Interactions with alumni and experts in the field are arranged.
9. Field visits are also arranged.
10. Time tables are kept flexible for field work.
