Enrollment

We enroll 80 students (40 girls and 40 boys) per program through multiple selection criteria. We encourage students to join the program in the first year and continue until the final year.

Parents and the facilitators of the program work together to shape their children's journey towards social change

PALAK PRABODHAN VARG

Parents form an important part of the Prajna Prabodhan Varg

Parenting guidance through quarterly sessions conducted by experts in the field of talent development
